PCWA Recognized for Financial Reporting

AUBURN -- The Placer County Water Agency has been recognized by an international finance officers association for excellence in financial reporting.

The certificate of achievement from the Government Finance Officers Association of the United States and Canada (GFOA) recognizes PCWA for its 2008 comprehensive annual financial report. It was announced Nov. 24.

“This is the highest form of recognition in the area of governmental accounting and financial reporting,” said GFOA spokesman Stephen Gauthier.

PCWA Director of Financial Services Joseph Parker said the association provides an in-depth independent review of the agency’s financial reporting. “We’re very pleased,” Parker said. “We work very hard, use best management practices and pay close attention to detail. This is the third consecutive year the agency has received this award.”

Parker credited Deputy Director of Finance Monica Penney, Financial Analyst Diel Eckhardt and his entire 7-member financial team for the agency recognition.

The GFOA is a nonprofit professional association serving 17,500 government professionals. The association has offices in Chicago and Washington DC.
